CHIEF 3043
11 MAY
OFFICE

Respectfully submitted to the Chief Secretary, through the Officer in charge of General Records.

I beg to state that I joined service in 1926 as an attender in the G.R.S., after having served as a clerk in the Mysore State Life Insurance office for about 8 months with fervent hopes of my future prospects During this period, I have worked for about.2 years in the G.D. section where I used to do all the clerical work whenever the clerks there were on leave. Also, ever since I came to the records, I have been doing all the duties that are entrusted to me to the best satisfaction of my superiors and I have picked up almost all the clerical work of the G.R.S. in the second division.

A few years ago, while there was a 2nd Division clerk's vacancy in the C.R.B., my application was forwarded to the Secretary, C.R.B. with your kind support. But, unlucky that I was, my case was overlooked as the claims of an Adi-karnataka candidate had to be considered.

I beg to state my forefathers were all Govt. servants and even my father is a Dafedar in the Sectt. and is about to retire after a service of more than 30 years. With much difficulty he educated me and I was forced to discontinue after I passed in one group of the S.S.L.C. Examination and joined service. Our mainstay has been Govt. service and now that I will be left to be the only earning member of the family, what little I earn will hardly suffice for a big family.

I beg of you sir, that in consideration of

my forefather's services under Government, the present condition of our family, my educational qualification, the period of service I have put in and the method and kind of work I have been so far able to do the same sympathy as was shown to Mr.S.Krishnamurthi of the Edn.Branch and M. Abdul Aziz of the C.R.B. office may kindly be extended to me and I may be exempted from the operation of the C.R.B. Rules and appointed in a vacancy of a second division clerk in the Sectt.
